

Study Board for ArT & Technology Education evaluation Spring 2018

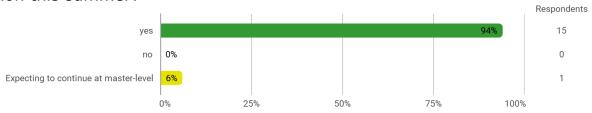

## Education evaluation - Bachelor in ArT & Technology

Sent to: 16 Answered by: 14

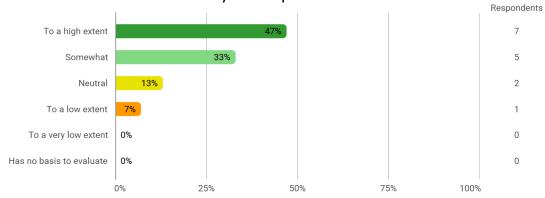

## **Overall Status**

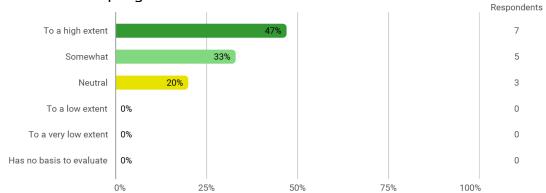

Do you expect to complete the education/have you already completed the education this summer?

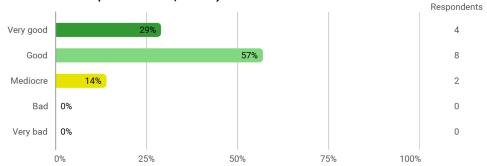

## To what extent did the education meet your expectations?

To what extent do you assess that the modules/courses were in continuation so that there was a clear progression in the education?

How has your academic benefit from the entire education been (eg in terms of knowledge, new reinforced competencies, etc.)?

To what extent was the study organized so that you could meet the learning objectives of your education (competence profile)?

If needed look up the educations study regulation: https://www.fak.hum.aau.dk/uddannelse/studieordninger/
